## Message from Tammy Peterson

### Why Do Bad Things Happen to Good People?

This question has come up many times in my life. On June 1991 I had two back surgeries. I ended up in a wheelchair diagnosed as an Incomplete Paraplegia .

After about 18 months this question came up to me. Why did this bad thing happen to me? I realized that I wasn't going to walk again and was at the lowest part of my life. I prayed to God to show me how I can live a normal life in this wheelchair and be happy again. I thanked God for helping me and wanted to return the favor so I asked God to bring people my way that needed help and I would do my best to help them as God helped me.

In the last 19 years I have had many people come into my life. Some had a different disability than mine but because of my disability I was able to relate and support them in ways I never could have if I wasn't in a wheelchair.

So in the future if something bad happens to you or a loved one, pause for a moment of prayer. God wants you to ask for his help. You are child of God and he will help and bless you in ways you couldn't possibly imagine.

## Message from Pastor Andrew Rogness

### CHANCEL FURNITURE AND “THE MEANS OF GRACE”

Yesterday (March 14), as I sat in the sanctuary, I realized that the final piece of chancel furniture had been added. I was anxious to get a closer look at the *Table*. After worship I made a closer inspection and was delighted to see that Tom Rockne’s superb craftsmanship was again shown in this piece. As we designed this item, we sketched out some dimensions and shape with the intention of creating a table, and not an altar. The reason for this is an important one, and should be reiterated at this time of year.

When the early Christian community sought to interpret what Jesus’ death and resurrection had accomplished, it was natural for this Jewish, newly Christian community to fall back on deeply held concepts. Perhaps John the Baptist set this trend at the beginning of Jesus’ public ministry when he cried out, “Behold the Lamb of God.” Indeed, Jesus’ death on the cross was reminiscent of the ancient ritual of a blood sacrifice made to appease an angry God, and an altar was the structure upon which these sacrifices were made. Language of sacrifice combined with references to Jesus as the Lamb of God persists to this day. However, it is imagery and theology that Jesus himself rejected. Twice in the Gospel of Matthew, for example, Jesus states, “Go and learn what this means, ‘I desire mercy and not sacrifice.’” (9:13 & 12:7) God does not demand a blood sacrifice. Furthermore, Jesus’ teachings tell us about this God of mercy and love – the Gospel text for March 14 was the story of the prodigal son and it is a prime example of this kind of teaching.

Of course Jesus gave of himself, and one might use the language of sacrifice in describing this giving. But it is not a blood sacrifice to appease an angry God. We are reminded of Jesus’ gift of self to us when we think of Jesus gathering with the twelve disciples for their last meal together. Jesus serves the bread and wine with this reminder – they are symbols of his body and blood, the gift of his life given for all. They, like we, are united by the love of God. The gifts of Jesus’ life, God’s love and forgiveness, are given as they gather around the table. The table, not an altar, is the right furniture to express our Christian understanding of God.

It may take a while for people’s language regarding our chancel furnishings to let go of the word “altar,” and to adjust to the language of table. But it is a good change and worth remembering the theology that leads the change. Perhaps it would be helpful to think of our chancel furniture as representative of our Lutheran understanding of “the means of grace,” which is “word and sacrament.” The pulpit/lectern represents the word, and we are reminded of our two sacraments with the baptismal font and the table for our Lord’s Supper. Our chancel furnishings are not only beautifully crafted, they are wonderfully functional as we use them to proclaim God’s deep love and abiding grace in our lives.

*A huge thank you to all the wonderful people in our Prince of Peace family. To all the people in prayer shawl ministry, Thank you for the wonderful blue prayer shawl. Blue is my favorite color!!*

*The prayer shawl was presented by Pastor Gary the morning before my surgery. I put it over my shoulders and could feel all the love and prayers. Thanks to all who brought plants and gifts, called, visited, and sent cards. Once again your prayers and concern helped me through this difficult time.*

*Thank you, people of Prince of Peace, for the ways you blessed and welcomed me into temporary service with you. You surrounded my limitations with your gifts and grace to the glory of God, while pressing me to look beyond those limitations by your enthusiastic spirit of life! Indeed, without God-love we can do nothing, and we are just so much noise. The words of Ps. 42 also come to mind as I remember your witness in the Body of Christ, "Why are you cast down, O my soul, and why are you disquieted within me? Hope in God; for I shall again praise him, my help and my God." Continue in the joy of the Lord...and in peace.*

## **Audrey Fairchild-Ehm - Youth Minister**

In the last month, I have had the privilege of watching our youth in the kitchen. They prepared, served, and hosted the annual youth dinner. They served and hosted the Easter Breakfast. On Fri., April 9, our youth hosted and served the Friday Family Fun Night Mystery Dinner.

On Friday, I watched as each of them intently followed the “menu” and which course they were serving. Frequently I would hear, “How did you get \_\_\_\_\_ for \_\_\_\_\_?” These young people had a grand time. There was much laughter. The pride they had for their work was grand to see. I trusted from their responses that all those folks in the gym were having an equally good time.

Our youth know how to be hospitable. They know this when it comes to hosting meals and gathering around the table with others. My grandmother always said that hospitality was about serving one’s guests a meal or “lunch” for every person who entered her home. No one was ever allowed to leave her home without sitting down with coffee and some kind of food.

Our youth understand that gathering around a table with food builds community. It allows for each person to come to know those around the table in a new way.

Those of you who attended the Easter Sunrise Worship Service experienced our youth setting our Lord’s table. They led an uplifting service. Their music was great. Their message was meaningful. Their enthusiasm was contagious. They led this worship confidently and proudly gave their gifts to those who attended.

Prince of Peace has every reason to be proud of our young people. They know how to set the dinner table and how to set the Lord’s Table. They know hospitality. They openly and courageously invite all to come be a part of their community. This community is Prince of Peace. This is God’s community—the Community of Christ. They take this community beyond our four walls. We have many reasons to be proud of our young people. Let us thank them for their gifts and their willingness to share those gifts with us.

Thank you!

## ***What a blessing to be able to give!***

Prince of Peace church members once again showed your generosity.

During the March FoodShare Campaign, 313 pounds of food and \$605 in cash gifts were delivered to the Salvation Army Payne Avenue Food Shelf which is heavily used and struggles to provide food for the needs of this community. Gary Peterson faithfully delivers our food donations.

*It is the desire of The Salvation Army to serve as the hands of Jesus in our community – to provide a place where when someone is hungry, we give him something to eat . . . and when someone is thirsty, we give her something to drink.*

You contributed many items for Lutheran World Relief Health Kits. On Feb. 14, thirty-four Health Kits were assembled and delivered to Lutheran World Relief's Warehouse in South St. Paul to be shipped to Haiti. On April 16, the remainder of donations of health kit supplies were Prince of Peace's contribution to the material offering collected at the St. Paul Area Lutheran Women's Convention.

## ***Message from Pastor Andrew Rogness***

*(Continued from page 3)*

As I have had to let go of active ministry among and with our wonderful church family, the question has arisen as to what, if any, my ongoing relationship with the congregation might be. When I left my parish in Madison that I had served for 24 years, the same question arose. My brother/bishop told me that it was something that frequently became a difficult issue for many churches, especially when former clergy did not let go of their relationship with a church. The general wisdom for us in this profession, as difficult as this is, is that it is important for former clergy and their families to actually be former. While Patti and I trust that friendships will continue, it will be best for Prince of Peace if we are not a part of the life of the congregation. This will make it easier and healthier for new staff and new directions to be embraced and to take hold.

## ***Chinese Hospitality Friendship Dinner - Saturday, May 15***

The Prince of Peace Global Missions Committee is serving dinner at the Hospitality Center for Chinese on Saturday, May 15.

The Hospitality Center for Chinese is a local ministry that supports Chinese students and scholars and their families. The Center demonstrates God's love by providing classes in English and introductory Bible studies, field trips to local attractions, assistance getting settled during their time in the Twin Cities and fellowship events such as monthly Friendship dinners.

We are looking for some volunteers willing to provide food (hot dish, salads, rolls, bars) or to help work the dinner. (Setup begins at 4:30 pm, dinner is at 6:00). There is a signup sheet on the Global Missions bulletin board in the hallway if you are able to help!

Please contact Caryn Josephson or Gus Haugan if you have questions about this ministry.

### **Message from Pastor Andrew Rogness**

Dear Prince of Peace,  
 Patti and I have a great many things to be grateful for. To begin with, thank you for the wonderful event on March 28, marking the end of 35 years of parish ministry. I don't think either of us anticipated the breadth of what had been planned, the many memories that were captured, and the wonderful words of affirmation. And as I said that day, thank you for your steadfast support through cards, notes, prayers, and extending hope that I could resume ministry.

We are also very grateful for the many gifts from council, staff and members that will make it possible for us to continue being plugged into the 21<sup>st</sup> century at home, with a computer and internet – something we've not had since our sons left home a dozen years ago. I'll be continuing to put updates on Caring Bridge, and figuring out the mechanisms for a blog. We trust we will be able to stay in touch!

One of the joys of a Christian family is being in the circle of love. God showers us with it. We are blessed by it. We have felt loved by you in Prince of Peace, just as we have loved you. This circle of love will continue to be a reality, even though my tenure as your pastor comes to an end.

With gratitude and love, Andrew & Patti Rogness
